Objectives

To provide holistic and relevant information to our students, the focus is on understanding and discussing each sector, its multidimensional applicability, characteristics, proposed growth and challenges in a growing economy like India and in the global environment.

The School is a pioneer in Entrepreneurship & Family Business Programs in India with a deep understanding of Indian & internationally run family-owned businesses.

Courses Offered

The focus of the courses offered at the School emphasize on appropriately delivering a strategic path to transform and grow a business to self-structured Indian family run businesses and entrepreneurs while they play an integral role in India's growth.
